

# Comforting Hearts...

This collection of resources has been compiled by Ryan's Heart. The support and or spiritual guidance that is available from the following websites, mediums and books is simply for your use. As many of the sites and information have brought us comfort, we hope that they will do the same for you. There are no 2 journeys that are the same; however, the friends that you will find here might just help to make yours easier.

## Grief Support Websites

### **www.after-death.com**

[After-Death.com](http://www.after-death.com) is a forum for sharing after death communications and experiences. It also offers services for inspiring greater awareness of ADC's, bereaved support and spiritual development.
